Nash Meets on Prospect

Councilman Troy Nash

Kansas City, Missouri Councilman Troy Nash will hold office hours Saturday, June 16 from noon until 2 p.m. on the corner of 39th and Prospect.

"By setting up my office on the streets in the community, I believe I can better represent the interests of the community. After nearly two years in office, I've discovered that for many people, coming to City Hall is a real pain--whether it be finding a parking space or waiting on elevators, city hall can sometimes be a very difficult place," Nash said.
